	19-20	Williamson Prizes/5 Man Team	8:00AM-2:00PM	9:00AM-3:00PM	European; till noon

We will have 7 separate classes again this year: Lady, Youth , 20 gauge, 28 Gauge, .410 gauge, Pump, and Open. You can shoot in more than one class as long as you pay the full price. If you choose to enter more than one class you must meet the minimum of (8) shoots in each class to qualify for prizes in that class. The cost this season will be \$15.00 per 50 targets with \$2.00 going toward qualifying prize monies, extra rounds at prevailing host club rates (see the club specifics information sheet). You must have at least (8) scores registered to qualify. All shooters will shoot a Virgin course upon arriving at the event. Just like if you go hunting, what you see, shoot at, and hit (or miss) is scored the first time you're on the course. No sporting clays practice rounds are permitted prior to shooting for league score under any circumstances. If you plan to shoot in more than one class the Open class must be shot first.

The last shoot at Williamson will not count toward prizes. The prizes will be distributed at the Williamson event on May 19th & 20th, 2012 so be sure to attend to pick up your prizes. The top 5 shooters (based on the average of best 8 scores per shooter/class) from each club will also have their scores combined, and the team with the top score at the May 19th & 20th Williamson event will be honored on the website until next year's shoot off!

Incentive to shoot more! This year there will be a drawing held before the last shoot at Williamson for all those that shoot 8 events or more. For those that shoot 8 events/class will be entered once for the drawing, 9 events = 2 entries, 10 events = 3 entries, 11 events = 4 entries, 12 events = 5 entries, 13 events = 6 entries, 14 events = 7 entries, 15 events = 8 entries. If you shoot 8 or more entries in a second class, (like 20 gauge, or pump), you can earn up to another 15 entries (depending on number of full paid entries/class) into the drawing. The Grand Prize will be \$500, 1st Place = \$200, 2nd Place = \$100, additional prizes are continually being added by the Incentive to Shoot sponsors. (Cases of shells, gun cases, gift baskets, and clothing...)

Effective for the 2011-2012 Hunter's Tour Traveling Sporting Clays League: Over the course of the league year a shooter shall have the opportunity to use two options to either make-up or to shoot ahead a shoot date; on any league weekend at any club. This is meant to aid a shooter to qualify with eight shoots. In essence a shooter now has the chance to use 17 possible shoots to qualify with 8 or to raise average. This will apply to any gauge/class will not change the maximum number of shoots for the prize drawing at the end of the year. This will remain at 15. It will also be the shooter's own responsibility to use only two options. If a third (or more) option is attempted the subsequent score will be deleted and the league & target fees will not be refunded.
